

Blue Mountain Snowdusters, O.R.C.

Landowner Letter

Dear Landowner,

I would like to take this opportunity to thank you for allowing The Blue Mountain Snowdusters to traverse your property to gain access to the state outdoor trail system. I have enclosed an updated permission form along with a pamphlet from The Bureau of Trails. This pamphlet can answer many questions and details landowner insurance information. Thank you for taking the time to sign and return the permission form.
